Coimbatore, India · Open to relocation: Dubai · China · USA

PROFESSIONAL SUMMARY

Structural Engineer and BIM Engineer bridging structural design and digital building delivery — from concept modeling to construction-ready coordination. Designs multi-storey residential, commercial, and industrial structures (G+4 to G+20) in ETABS, STAAD Pro, and CSI SAFE per IS 456, IS 800, and IS 1893, with BIM expertise in Autodesk Revit, Navisworks, and Dynamo, including a 21-floor mixed-use high-rise delivered at LOD 350.

CORE SKILLS

Structural analysis & design	ETABS · STAAD Pro · CSI SAFE · RCC & steel systems
BIM & coordination	Autodesk Revit · Navisworks · BIM 360 · Dynamo · clash detection · 4D simulation
Drafting & visualization	AutoCAD · SketchUp Pro · Twinmotion · InDesign · Photoshop
Codes & standards	IS 456 · IS 800 · IS 1893 · IS 875 · RIBA Plan of Work

PROFESSIONAL EXPERIENCE

Structural Engineer

Jan 2025 – Present

AK Consultant · Chennai, India

- Design and analyze RCC and steel structural systems for multi-storey residential, commercial, and industrial projects (G+4 to G+20) using ETABS, STAAD Pro, and CSI SAFE.
- Modeled, analyzed, and detailed four residential towers end-to-end in ETABS — gravity and seismic analysis, torsion and drift verification, and element schedules for working drawings (M30/M40).
- Ensure compliance with IS 456, IS 800, and IS 1893; coordinate with architectural and MEP teams to resolve structural conflicts.

BIM Architect

Mar 2023 – Oct 2023

Novatr (previously Oneistox)

- Delivered a 21-floor mixed-use high-rise capstone (Hong Kong) — modeled in Revit at LOD 350, ran clash detection in Navisworks, produced renders in Twinmotion.
- Led architectural design, detailing, and BIM documentation for a residential complex; coordinated via Revit, Navisworks, BIM 360, and Dynamo.

Civil Engineer

Aug 2022 – Aug 2023

GRJ Builders · Vadavalli, Coimbatore

- Produced construction drawings and design sketches for residential and commercial projects; supported site coordination and documentation with SketchUp and AutoCAD.

EDUCATION

M.E. Structural Engineering

2023 – 2025

Sri Shakthi Institute of Engineering and Technology — 8.32 CGPA, First Class

B.E. Civil Engineering

2019 – 2022

KGISL Institute of Technology — 8.24 CGPA, First Class

Diploma in Civil Engineering

2016 – 2019

Nachimuthu Polytechnic College — 73.96%, First Class

CERTIFICATIONS & LANGUAGES

BIM Professional Course for Architects — Novatr (2023) · Autodesk Navisworks Manage — Autodesk (2023)

English — Professional working proficiency · Tamil — Native
